

Zurich Commercial Insurance Benelux is part of the Zurich Group and is one of the most specialized insurance companies within non-life insurance for local and international business in the Benelux market.

Within Commercial Insurance Zurich offers a broad range of local and international insurance solutions from medium local to large multinational companies. Understand, manage and cover risks is crucial to be successful in a complex and fast changing environment.

As part of the overall strategy 'together for our customers', there is a lot of emphasis on country organization, ownership and accountability within the group. Therefore the Shared Local Applications Development and Maintenance team for 4 regions (Benelux, France, Nordics and Russia) including 8 countries is transitioned to our Belgian office to be fully centralized and managed from there.

To strengthen the team we would like to attract new colleagues to become part of this team. We are looking for a mixture of recent graduates and more experienced professionals with a 'can do' attitude.

Are you ready to start a new adventure contributing to an important change process within a market leader of the insurance industry?
