

**Zurich Commercial Insurance Benelux** is part of the Zurich Group and is one of the most specialized insurance companies within non-life insurance for local and international business in the Benelux market.

Within Commercial Insurance Zurich offers a broad range of local and international insurance solutions from medium local to large multinational companies. Understand, manage and cover risks is crucial to be successful in a complex and fast changing environment.

As part of the overall strategy 'together for our customers', we are currently investing in new hires in several departments. We are looking for a mixture of recent graduates and more experienced professionals with a 'can do' attitude to join our teams.

Are you ready to start a new adventure within a market leader of the insurance industry?

We are currently looking for a M/F for our office in The Hague:

### **Technical Underwriter**

As Technical Underwriter you are accountable for underwriting governance matters, process alignment within the Benelux and pricing, portfolio management support and underwriting quality. You will contribute to the underwriting strategy as well.

#### **Key Accountabilities**

- Develop and maintain a clear underwriting governance and quality framework
- Drive The Zurich Way of Underwriting and Pricing
- Support the portfolio management
- Support the development of the underwriting strategy

#### **Requirements/Profile**

- You have a bachelor degree or equivalent by experience.
- You demonstrate technical underwriting knowledge and analytical skills.
- You have a proven technical insurance knowledge (you hold typical professional insurance certifications) and a good understanding of the different lines of business
- You communicate well in Dutch and English, spoken as well as written.
- You easily adopt new systems and you have a good knowledge of MS Office.

#### **We offer**

- An international, entrepreneurial and informal working environment
- Professional growth and development opportunities
- Market conform salary and benefits
